

# TEEN INTERN PROGRAM

In this year-long program, students entering grades 9 through 12 work with Museum educators to facilitate programs for families and other audiences, assist with special projects, and explore art and culture through the Museum's collections. After participating in a training program in the spring of 2026, interns will begin working at the Museum during the 2026-27 school year. Interns will receive a stipend for their participation.

**To Apply:** All applicants must submit an application form and one letter of recommendation from someone familiar with the applicant's abilities and character (e.g., a teacher, coach, guidance counselor, supervisor, or camp counselor).

All materials must be submitted by the deadline: March 23, 2026.

Applications will be reviewed by a committee and only those invited for an interview will be contacted. Please call 212.423.3254 or email [teenprograms@thejm.org](mailto:teenprograms@thejm.org) with any questions.
