

SUMMER FIELD TRIPS TO THE JEWISH MUSEUM

Inspire your campers and summer school students through specially-designed, hands-on tours and workshops that explore art and artifacts at the Jewish Museum. All programs may include gallery explorations and a studio art component.

Picturing People and Places

Learn how artists can convey meaning through portraiture and landscapes.

Line, Shape, and Color: The Art of Paul Klee

Discover the imaginative and innovative paintings and drawings of 20th-century artist Paul Klee.

Dig!

Uncover artifacts from the past in the Museum's simulated archaeological dig.

Art On The Road

Can't take a trip to the Museum? Have the Museum come to your camp with this tailored hands-on program.
